**Press Release Summary: Slingsby, industrial and commercial equipment specialist, has just announced the launch of**

**their brand new Spring/Summer 2008 Catalogue, which will be the biggest ever, featuring over 35,000 different products**

Press Release Body: Leading industrial and commercial equipment specialist, **Slingsby**, has just announced the launch of their brand new **Spring/Summer 2008 Catalogue.**

With over 35,000 product lines, the new **Slingsby catalogue** is even more comprehensive than ever before and covers everything needed for the workplace, be that an office, warehouse, factory, educational establishment or industrial environment. From handling, lifting and [commercial equipment](#), to retail and [office supplies](#), the new Slingsby catalogue has been produced to cover products for the entire work place market.

While originally famous for manual handling equipment, the latest catalogue now features a range of essential products which covers the

entire workplace, providing more choice and reinforcing **Slingsby's** reputation as a credible single source solution for all customers. The new catalogue covers all the latest product ranges and includes over three thousand new products, from traditional areas like materials handling through to exciting new janitorial and office equipment as well as [work wear](#). There are also a host of innovative products which have been introduced across a range of new brands for [industrial equipment](#) such as LED lighting, safety signs and recycling products, alongside ample advice and information on products throughout the ranges. The new **Slingsby** catalogue has been created with the intention of providing a full buyers' guide for all workplace needs.

**Slingsby** has also included within the new catalogue, useful hints and reminders on related legislation to help companies meet the current legal requirements, and change the catalogue into an indispensable guide for organisations.

To further make purchasing safety equipment easier for organisations, **Slingsby** has also recently introduced a new free next day delivery service on all stocked lines and is offering a 5% discount for customers ordering online. **Slingsby** has no minimum order level and offer a no quibble guarantee, which means that they can easily accommodate both massive multinational clients, as well as small private businesses.

**The new catalogue can be ordered for free from the Slingsby website.**
